

It's Photo Time

All the Time

THERE'S no fun equal to taking pictures—and really no pleasure that costs so little to indulge in. Everybody should own a good Kodak—even the youngsters may and should be taught to snap pictures. Then the memory of dear faces, places and pets come back as frequently as you wish in finished pictures.

Always An Interesting Pastime

A Kodak provides interesting, instructive pastime for young or old. Young folks enjoy a "hiking" party twice as much if they take a Kodak along. Autoing and picnicing are much more interesting when snaps can be taken of the "bunch." In the years to come snap shot pictures have a value to the owner that cannot be gauged by money.

Father will get far more pleasure out of his hunting or fishing trip if he has snap shots to show afterward, mother will treasure the little intimate pictures of the children, recording their growth from year to year, taken amid home surroundings. This is the only store in this city where you can buy the famous Eastman Kodak in its many styles and sizes.

VOTE UNANIMOUS ON PURCHASING PIKES OF RAINEY-LOONEY

COURT FINALLY AGREES WITHOUT A DISSENTING VOTE ON MATTER.

PAPERS TO BE DRAWN AT ONCE

Warrants at Six Per Cent Interest Payable in One Year Are To Be Issued; County Judge and Attorney Empowered to Act.

As stated in The Herald of yesterday, the county court at 3:05 o'clock Wednesday accepted the final agreement with the committee and Horace Rainey and C. T. Looney for the purchase of their toll roads at \$1,000 per mile, the trade to be effective ninety days from date. That is Rainey and Looney are to operate the roads for that time and collect the tolls but are to turn them over to the county at the end of that period in as good condition as they are now.

The vote on this final proposition was unanimous. The following named members of the court voted aye: Justices Mullins, Russell, Crowe, Davis, Glenn, Hunter, Holt, McKibbin, Denton, Voorhies, English, Ricketts, Ross, Jackson, Wilkes, Brooks, Guest, Alexander, Webster, Hayes, Taylor and Pogue—22. Justices Forney and Church were absent and did not vote.

The county judge and county attorney were unanimously instructed to enter into a contract with the owners for the purchase of the pikes upon the terms agreed upon and warrants to bear interest at 6 per cent and payable in twelve months, were ordered issued for the purchase of the roads. All necessary and legal papers will be drawn before the warrants are issued or delivered.

It is expected that at the next session of the legislature an enabling act will be passed providing for a bond issue at 4½ or 5 per cent interest to redeem the warrants at six per cent.

A motion was unanimously adopted directing the existing turnpike committee to examine the turnpike between Culleoka and Mooresville of five miles and that between Spring Hill and Kedron and agree if possible with the owners for their purchase and report to the July term of the court. With the purchase of these pikes every road in Maury county will be free.

TWELVE TOLL GATES WILL BE OPENED AS RESULT OF PURCHASE

EVERY ROAD RUNNING INTO COLUMBIA WILL THEN BE A FREE HIGHWAY.

MUST ASCERTAIN THE MILEAGE

Expected That It Will Require Several Days to Complete all of the Necessary Details of the Contracts And Title Papers.

Under the action of the county court on Wednesday Horace Rainey and C. T. Looney will sell to the county probably sixty-nine miles of toll roads. The roads will have to be surveyed and measured before the definite mileage is ascertained.

The pikes purchased are, Hampshire, the Santa Fe, the Spring Hill or Nashville, the Williamsport, the Pulaski and the Bear Creek, all owned by Horace Rainey, and the Bigbyville or Campbellsville pike, owned by Chris T. Looney. There are on the Pulaski, one toll gate, on the Campbellsville, one toll gate; two on the Nashville, two on the Hampshire, two on the Williamsport, two on the Santa Fe and two on the Bear Creek pike.

It will cost approximately \$70,000 to buy the pikes above enumerated. Under the terms of the sale Mr. Rainey will retain the ownership of the toll houses and the toll gates.

It will probably require several days for all the papers to be drawn and the contracts finally signed. Under the terms of the sale the pikes must be measured, and the mileage ascertained. Then the title papers must all be looked into before a contract or deeds are finally executed.

The opening of the gates on the pikes above enumerated ninety days from now will open every gate except two, they being on the Culleoka and Mooresville and the Kedron and Spring Hill pikes.

Dock Vestal, colored, shot and painfully wounded Charley Stuart, colored, Wednesday afternoon near Santa Fe. After the shooting, Vestal sought refuge in the home of his sister at Franklin, but was apprehended by the deputy sheriff at that place this morning.

The facts and the cause of the shooting are not known, but it is said that Vestal went to the field where Stuart was plowing and without warning, unloaded one barrel of a shotgun into one of his legs, almost severing it. Vestal immediately fled the country, but Sheriff Griffin soon got on his trail and learned of his whereabouts and notified the officers at Franklin to go to the home of his (Vestal's) sister, and put the negro under arrest. MAKES REFERENCE TO BOND SALE

COL. BROWNLOW SAYS SAVING INTEREST CAUSES DISPLEASURE TO SOME.

URE TO SOME.

In the discussion at the county court this morning one reference was made to the pending investigation into county affairs. Col. Jos. F. Brownlow, one of the speakers, said that he ought to be slow to advise the court. He said that it had been recently published that several years ago he advised the court to exchange \$175,000 of six per cent interest bearing warrants for four per cent bonds, a fact that now caused considerable grief and doubt and displeasure upon the part of certain people.

"Well, you can do it after a fashion," said the mathematician, "just as when you go out for a walk you circle the square."
